

# Thursday, June 6 2013: Birding in Chile

**Birding Information:** Potluck

**Main program:** Hugh and Rosita Harvey and friends: Birding in Chile

The Andes: Photo © Eugenia Larson

**Main Program:** Chile astounds visitors with incredible scenery and spectacular bird diversity. This month, Hugh and Rosita Harvey and friends will share tales and photos from their November journey to some of the best birding spots in Chile. Our intrepid explorers will discuss birds and relate other adventures from their trip, so plan on enjoying a lively, entertaining program at the potluck!

More detailed information about the June program is available in our [June 2013 Quail newsletter](#).
